**STATEMENT FROM MAYOR BRENNAN REGARDING
CLOSURE OF ALL BOROUGH FACILITIES TO THE PUBLIC**

Effective immediately, all Borough of Merchantville government facilities are closed to the public. Specifically, both Merchantville Borough Hall and the Merchantville Community Center are closed to all members of the public until further notice. These measures are necessary to do our part in the Borough to reduce the spread and transmission of Covid-19, the novel coronavirus, which has reached pandemic level.

Despite public access to Borough facilities being restricted, the Borough government will continue to operate and we are focusing on efforts to enhance the ability of the public to do business with the Borough through our website, www.merchantvillenj.gov. Borough employees will continue to provide service to residents, businesses and visitors alike during this closure regardless of where they are sitting. We ask that should you need to conduct business with the Borough for any reason, go to our website, call or e-mail the Borough department you need and they will work with you and if appropriate, will schedule a meeting or call.

The Borough Council and I thank you for your understanding during this difficult time.
