**Notice to Residents of:
Walnut Ave & Leslie Ave**

Re: Asphalt Drainage Corrections

This notice is to inform you that road work will take place on your streets on Tuesday March 26th, weather permitting. This work will include milling & re-paving of the intersection of Walnut Ave & Leslie Ave. Working hours will be approximately 7:00am – 4:00 p.m. In the event of rain, work will be rescheduled, and residents will be re-notified.

These operations will require all vehicles & personal property to be cleared from the roadway. Access to your driveway may be temporarily delayed at times during operations in your immediate area. Leslie Ave will be closed at the Walnut Ave intersection, but can be accessed from Cedar Ave. Traffic on Walnut Ave may experience short delays, but Walnut Ave will be open. Vehicle traffic should plan alternate routes if possible. The roads will be fully re-opened for traffic at the end of the workday.

Prior to paving a “tack coat” will be applied and it is important that you do not drive or walk on it, as you can track it onto other surfaces.

We regret any inconvenience that these operations may present and thank you in advance for your cooperation and patience. If you have any questions or comments, please do not hesitate to contact our office at 856-456-2899.

Date of Notice – March 21st, 2024.
